

1. Create a compressed backup

```
tar -czvf ~/music_backup.tar.gz ~/Music
```

2. Restore backup

```
mkdir ~/restored_music
```

```
tar -xzf ~/music_backup.tar.gz -C ~/restored_music
```

```
ls ~/restored_music
```

3. Backup JPG files under 5MB

```
find ~/Downloads -type f -name "*.jpg" -size -5M > jpg_list.txt
```

```
tar -czvf ~/images_backup.tar.gz --files-from=jpg_list.txt
```

4. Restore one deleted file

```
rm ~/Music/song1.mp3
```

```
tar -xzf ~/music_backup.tar.gz -C / song1.mp3
```

Verify the restored file is back in the Music folder.
